OFFICIAL PROMOTION

U. S. RUBBER COMPANY ELECTS GEORGE SHUGART VICE-PRESIDENT

Mrs. Fannie Shugart has received word from New York that her son, George S. Shugart, has been elected vice-president of the U. S. Rubber Co., the largest one in the country. Mr. Shugart started with the company about 25 years ago and is still in his forties. He visited California during the San Francisco Exposition, at which time he came to Glendale and spent some time with his father who has since passed away. He was much pleased with Southern California and will spend next winter here. Later he may locate permanently.

TO JOIN SOLDIER HUSBAND

Mrs. Frank Mullens (nee Emma Moniot), said good-bye to members of her family Thursday and left by train for Fort Russell, Wyoming, to join her husband, who is an enlisted man stationed there. He will have his discharge in October and then he and his bride plan to return to California. Before enlisting he was a railroad man and he will probably return to that employment as it is much to his liking. The two Moniot girls, Louise and Julia, left at home out of a family of six daughters, declare it is pretty lonesome without Emma, but they are confident of her return next fall.

PICNIC IN BOUQUET CANYON

A jolly picnic party made a trip to Bouquet Canyon recently in honor of the Miller sisters, who having spent the winter in Glendale are now returning to their home in the East. A bountiful supply of food was taken along so lunch and supper were enjoyed out of doors. The picnickers included Mr. and Mrs. Chas. Shattuck, Mr. and Mrs. J. C. Danford, Mrs. Maude S. Potter, Miss Ida Potter, Miss Leone Shattuck, Miss Laura E. Roberts, Frank and Emil Kiefer, Mr. and Mrs. Ralph Davenport of Los Angeles, and R. Roberts.

THURSDAY CLUB

On account of the bad weather the attendance on the meeting of the Thursday Club in the City Building at Brand and Los Feliz Road was not as large as usual, also the expected speaker failed to make his appearance. Those who did come enjoyed a pleasant social afternoon, tea and wafers being served by the hostesses, Mrs. Ashton and Mrs. Becker. Plans for a picnic were tentatively discussed.

GLENDALE CITIZEN WELCOMES ARMENIAN GENERAL

Amidas M. Jamgochian, president of the California Soap Co., who lives at 1905 South San Fernando Road, is one of the prominent citizens of Los Angeles and vicinity who welcomed to the Southland Gen. Antrikine, the Armenian commander, who in more than 50 fierce battles against the Turks during the world war was successful in every one.

BIRTHDAY SURPRISE

HAPPY CELEBRATION OF LOU SHERMAN'S NATAL DAY

Yesterday marked another milestone in Lou Sherman's life and his wife engineered an exceedingly pleasant surprise for him by inviting a number of close friends and associates to spend the evening with them in their charming home at 316 West Lexington Drive. Among the guests were the three other members of Lou's Jazz Quartet and the four of them made fine music at intervals during the evening. There was other music, also, and some dancing. A regular dinner had been prepared by Mrs. Sherman and this was fully taken care of by the guests and hosts. Those present were Mr. and Mrs. A. F. Priest and daughter, Ruth, Mr. and Mrs. Albert D. Pearce and the latter's mother, Mrs. C. F. Lewis, Mr. and Mrs. C. P. Thom, their son, Livingston, and daughter, Virginia, Bert P. Woodard and wife and daughter, Virginia, Mr. and Mrs. Harry Gibbs, Miss Bertha Peterson, Mr. and Mrs. C. C. Thom of Los Angeles, Mr. and Mrs. Walker of San Francisco, Mr. and Mrs. Hartley Taylor and two children of Eagle Rock.

Mr. Sherman was the recipient of many handsome presents as testimonials of the high regard in which he is held by his many friends.

MUSICIANS' RECEPTION

OFFICIALS OF STATE FEDERATION MUSIC CLUBS ENTERTAIN

A reception is being given this evening at the Los Angeles Ebell Club House by the Southern California officials and members of the California Federation of Music Clubs in honor of Mrs. F. A. Sieberling, president of the National Federation of Music Clubs. Among the officers who will be in the receiving line are Mrs. Mattison B. Jones, second vice-president of the State Federation of Music Clubs, and Mrs. Calvin Whiting, its corresponding secretary, both of Glendale. It promises to be a very brilliant affair, L. E. Behymer, the prominent theatrical manager, having charge of the program.

The Music Section of the Tuesday Afternoon Club of this city is a member of the Federation and it is expected that its members and their escorts will attend. Mrs. William E. Mabee, Mrs. Hazel I. White and Mrs. Mattison B. Jones, all officials of the State Federation of Music Clubs, constitute the committee of arrangements, and Mrs. Jones is very anxious, for the credit of Glendale, that our city should be well represented at the reception. The list of distinguished artists who are expected to be present includes: Percy Grainger, Leopold Godowski, Alice Gentle, Olga Steeb. Carrie Jacobs Bond, Ella Clayton, president of the Woman's Gamut Club of New York City, Miss Elsa Breidt, now of Glendale, and many others who have distinguished themselves in the musical world.

FIRE MENACE ON VACANT LOTS

One of the most important problems confronting the new city administration is the clearing off of weeds, grass and wild oats from the many vacant lots of the city to prevent summer fires which are a serious menace to adjoining residences. When the city was looking after the assessing and collecting of taxes the matter was easily handled by assessing the cost of clearing the lots by the city against the property and collecting it as taxes. This cannot be done now that the county looks after this work. One solution suggested is for the city to have the vacant lots all ploughed while the weeds and grass are green, at the expense of the city if necessary, but to be paid for by owners if a way of collecting the sums can be devised.

ADULT-CHILD PARTY

PARENTS AND CHILDREN FROLIC AT HOME OF MR. AND MRS. R. HORNER

An unique party was given Friday evening as a benefit for the treasury of the Broadway P.-T. A. by Mr. and Mrs. Raymond Horner, at their home, 138 South Adams street. Mrs. Aichholz, mother of Mrs. Horner, was an assisting hostess. It was a children's party and all adults were required to come in the garb of children. Admittance was refused to any who appeared to be over sixteen years of age. As was to be expected there was no ice to be broken nor stiffness to be overcome. Parents and children had a royal good time romping together, playing games, singing, and reciting "pieces." To obtain revenue, all-day suckers and ice cream cones were sold. Those present were: Mr. and Mrs. R. Smith, Mr. and Mrs. Frank Wilkinson and family, Mr. and Mrs. Will Kulp, and family, Mr. and Mrs. A. J. Van Wie and family, Mr. and Mrs. Flower, Mr. and Mrs. Frank Chambers and family and Mrs. Granger, sister of Mrs. Chambers, Mr. and Mrs. Frank A. Marek, Mrs. Godfrey, Mrs. Ruthford, Mrs. Whiteman, her mother, Mrs. Rhodes, and family, Mr. and Mrs. B. L. Cushman, Mr. and Mrs. Julian Bennett, Mrs. Barker, Mr. and Mrs. Will Jepson and family.

DEATH OF CATHERINE M. CURRAN

Miss Catherine Mary Curran, a native of Illinois, who came to Glendale from Chicago about five months ago hoping to derive benefit from the mild climate, passed away at the Sisters' Hospital in Los Angeles at nine o'clock Friday morning, April 16, 1920, of heart trouble. She had been making her home with a brother, a sister and brother-in-law at 704 East Windsor Road.

Funeral services will be held Monday morning at nine o'clock at the Holy Family Catholic Church, the Scovern Company having charge.

"BLUES" BEAT "CARDINALS"

CALIFORNIA OARSMEN WIN TWO STRAIGHT VICTORIES IN VARSITY RACE

(Special Service to Glendale Evening News)

OAKLAND, April 17.—California oarsmen made two straight victories today when the blue oars of Berkeley flashed across the finishing line four lengths ahead of the "Cardinal" in the Varsity race. The "Blues" led from the start, rowing 34 strokes to the minute. The Blue and Gold shell finished rowing 38 strokes to the minute and the rowers increased their lead half a length in the last hundred yards. Previously the California second and third Varsity crews had both led the Stanford second Varsity to the finishing line. The California freshmen won from the Stanford first-year men in the last race of the day. They led by about two lengths.

CIVIL WAR THREATENS MEXICO

DEBATE IN U. S. SENATE OVER CARRANZA'S REQUEST FOR TROOPS TO CROSS AMERICAN TERRITORY

(Special Service to Glendale Evening News)

WASHINGTON, April 17.—Civil war throughout Mexico between the forces of Carranza and General Obregon may break out if the federal government of Mexico proceeds to suppress by military force the secession movement in Sonora, officials here feared today.

Lively debate broke out in the Senate today over the request of the Mexican government that Carranza soldiers be permitted to cross American territory to attack Sonora rebels.

MEXICAN REQUEST GRANTED

POSTMASTER AT NOGALES ORDERED TO ROUTE MAIL VIA EL PASO AND JUAREZ

(Special Service to Glendale Evening News)

NOGALES, Ariz., April 17.—The Post Office Department at Washington has notified the postmaster here to route all mail addressed to points in Sonora via El Paso, Texas, and Juarez, it was learned today. It was also reported here that this action was taken at the request of the Mexican government and that it means the west coast of Mexico will be without mail service until the action is rescinded. As there is no train connection between Chihuahua and the west coast it is feared that great damage will result to American operators in Sonora and Sinaloa.

DIVISION OF SENTIMENT

MRS. SHEPARD, FORMERLY HELEN GOULD, RESIGNS FROM Y. W. C. A. NATIONAL BOARD

(Special Service to Glendale Evening News)

CLEVELAND, O., April 17.—Mrs. Finley Shepard, formerly Miss Helen Gould, today announced her resignation from the national board of the Y. W. C. A. because of the course of action taken at Friday's convention here. The action included the adoption of the "social ideals" of the churches and the adoption of a measure to have the association actually work for legislation to make the "ideals" a reality. The "ideals" include: abolition of child labor; an eight-hour day for women in industry; a living wage as a minimum in every industry; old-age pensions; relief from employment one day in seven; the gradual reduction of hours of labor to the lowest practicable point.

VERDICT AGAINST PRIME MINISTER

LLOYD GEORGE AND OTHER BRITISH OFFICIALS ARE CHARGED WITH MURDER OF MAYOR OF CORK

(Special Service to Glendale Evening News)

CORK, Ireland, April 17.—Thomas MacCurtain, late Lord Mayor of Cork, was murdered by his Royal Irish Constabulary, the coroner's jury decided here today. The jury's verdict said in part:

"The murder was organized and carried out by the Royal Irish Constabulary and officially directed by the British government, wherefore a verdict of wilful murder is returned against Prime Minister Lloyd George, Ian McPherson and head officials of the Irish Constabulary."

TRIAL OF STRIKE LEADERS

HEARING IN CHICAGO SET FOR APRIL 25; GRUNAU IS RELEASED ON OWN RECOGNIZANCE

(Special Service to Glendale Evening News)

CHICAGO, April 17.—With no further arrests among leaders of the switchmen's strike, indications today pointed to a complete end of the walk-out. Of the twenty-nine leaders arrested on the charge of violating the Lever Act, twenty-two furnished bail. The remaining seven, included the arch leader, John Grunau who vigorously asserted that he would go to jail a martyr before he would furnish bail. Yesterday Grunau and six companions were released on their own recognizance to appear for hearing April 24.

Charges of food profiteering growing out of the strike occupied the attention of federal officials today. Thirty-three food dealers, principally produce men, were called before the Grand Jury to be questioned regarding prices.

RECONSTRUCTION WORK

JUDGE SIDNEY REEVE DESCRIBES WORK OF JUVENILE COURT

Judge Sidney Reeve, who spoke at the Glendale High School Friday evening under the joint auspices of the Parent-Teacher Federation and the Ministerial Association, had an excellent and attentive audience. With him upon the platform were Mrs. A. A. Barton, president of the Federation, who introduced him, Dr. Jessie Russell, president of the Congress of Mothers, and Dr. W. E. Edmonds, representing the Ministerial Association.

The lecturer reviewed the same ground he had covered in a talk which he recently gave before a P.-T. A. Association in this city. He described the field of Department 8 or what is known as the Juvenile Court, although 50 per cent of the persons who pass through it are adults because, as the judge explained, in dealing with insane and defective adults there are nearly always families containing children whose interests must be safe-guarded.

(Continued on Page 8)

RAINFALL RECORDS VARY GREATLY

A survey of the moisture records of Southland cities shows that seasonal average has been closely approached in most of them. Thursday's storm was pretty general, San Bernardino alone having been overlooked by the weather man and getting only .01 of an inch. Whittier led with 1.07 and Monrovia was next with 1.03. San Fernando had .89, Pomona .80 and Los Angeles 76. A queer distribution was that in this immediate vicinity, Glendale's record being .62, Eagle Rock's, just adjoining on the east, only .24 and Pasadena's, three miles further east, .89. The snowfall in the mountains was very heavy, so that plenty of water for household and irrigation use is assured.

BRAVE EX-SERVICE MAN

F. J. Phelan, 1305 North Central avenue, formerly of Imperial, who is now engaged with Hurd & Berry on Brand boulevard, and who has been living in Glendale for the past four months, is a veteran of the late war. This fact was brought out entirely by accident as Mr. Phelan is as reticent as most of the boys who have been "over there" usually are, but a little persistence resulted in eliciting the following facts: His regiment went across with the 1st Division, and he was in France for sixteen months, during which time he was twice wounded, the first time, at Soissons, July 19, 1918, and the second time in the Argonne Forest October 8, 1918, the latter wound keeping him in hospital for several months. He was in the fighting at Cantigny and on the Marne, at St. Mihiel, and in the Argonne-Meuse sector. He was in five major engagements altogether, and was three times cited for gallantry in action.

LIKES EVENING NEWS

MRS. TEMPLETON BELIEVES IN SUPPORTING LOCAL DAILY PAPER

Mrs. F. Templeton of 915 East Acacia avenue is one who appreciates the local daily paper. She subscribed for the Evening News soon after moving out to Glendale and says she would not be without it for a day. She and her husband bought the home where they live while still in Toledo, Ohio, because it is next to that of Mrs. Templeton's sister, Mrs. E. J. Harrington. They have added to the home considerably until it now has 10 rooms and the acre of ground with it is well set to fruit. Mr. Templeton left a large legal practice in Toledo. He is very much in love with Glendale. One son is out here with the parents and is working with Emil Fram as a landscape gardener. A daughter, Mrs. J. H. Volker, and her 10-year-old daughter, is also with them, and she is expecting her husband and the little son out here again. Mr. Volker was summoned back there not long ago to take his old job with an electrical firm for a few months

The "Johnson for President" club of Glendale has established permanent headquarters at the office of Judge H. M. Miller, 114 East Broadway. There will be literature on hand there for those wishing it.

UNITY CHAPTER

NO. 116 ENTERTAINS GRAND KING OF GRAND CHAPTER OF THE STATE

On Thursday evening Unity Chapter, No. 116, Royal Arch Masons, was honored by having with them the Grand King of the Grand Chapter of the State of California, Mattison B. Jones, and also the Grand Chaplain, James Whitcomb Brougher, who were officially received by the local body. The rain prevented several other Grand Officers who were scheduled to attend, but in spite of the inclemency of the weather, a good attendance was present to witness the Royal Arch Degree conferred. At the close of the work, the committee in charge of the eats, had prepared some light refreshments in the Banquet Hall, and after partaking of these, Dr. Marpole who had been one of the candidates of the evening, favored the lodge members with several vocal selections, which was greatly enjoyed by all. Addresses were made by Mattison B. Jones and Dr. Brougher, and the meeting closed with expressions from nearly everyone present, that the evening had been one of the most enjoyable and instructive in the history of Unity Chapter.

NIGHT TRAINS FOR NORTH

Mr. Thedaker, the agent in charge of the Glendale station of the Southern Pacific Railroad, is advising all persons contemplating taking night trains for the north on that line to go to Los Angeles to board the trains rather than to try to flag them here. The interference with the running schedules of trains by the railroad strike has been confined to the lines between Los Angeles and the East, but it occasionally delays the overland trains from New Orleans. This happened a few nights ago when the New Orleans train that should have reached the Glendale station about 10:15 actually arrived about midnight and meanwhile local passengers who wished to board it had to cool their heels with as much patience as they could command.

STOLEN CAR RECOVERED

A Buick car which was left standing on Brand boulevard, just south of Palmer avenue for two days, was finally reported to the police department. Chief Lampert called up the person who was designated as owner of the car by the registry certificate and he said his car had been stolen. Joy riders had evidently taken it out for a jaunt and abandoned it when they feared apprehension. The owner came out and got the car, finding it comparatively undamaged.

BRIDGE--FIVE HUNDRED

SPRING FLOWERS FEATURE PRETTY PARTY GIVEN BY MRS. H. P. GOODWIN

Mrs. Douglas Newell, mother of Mrs. H. R. Boyer, was guest of honor at a pretty function given Thursday afternoon by Mrs. H. P. Goodwin at the Mary Louise Tea Room in Los Angeles. It was a Bridge and Five Hundred party. Guests were conducted to the card room where they found their places marked at the tables by pretty hand-painted score cards embellished with spring flower decorations. The high score of the afternoon in Five Hundred was made by Mrs. Harry Lockwood who received the prize, a lovely little water color picture. Miss Lucile Tholen was the fortunate winner of the high Bridge score and was rewarded with a bowl of artistic pottery. At the close of play a delicious two-course luncheon was daintily served at tables centered with baskets filled with spring flowers. The ladies who enjoyed Mrs. Goodwin's hospitality were: Mesdames Douglas Newell, H. R. Boyer, Harry Lockwood, H. L. Clotworthy, Andrew Findlay, W. E. Evans, Charles Lewis, Albert D. Pearce, Walter Stamps, Merrill Russell, John G. Huntley, Seymour Smith, Warren Roberts, A. W. Tower, Charles Temple, Leigh Bancroft, L. V. Sherman, Leslie Eames, W. W. Worley, Frank Staley, T. G. Widmeyre, Arthur Cross, H. D. Goss, Perce H. Curtis, and Miss Lucile Tholen, all of Glendale; Mesdames Neale Hotaling and Ella McDonald of Pasadena, Miss Amy Wandell of San Diego, Mesdames H. H. Martin and Lucius Phillips of Los Angeles.

BY AUTO TO MEXICO

S. L. AND S. Y. GILLAN ENCOUNTER SOME BAD ROADS IN SOUTHERN REPUBLIC

S. L. Gillan and his father, S. Y. Gillan, of 203 W. Maple, returned Friday evening from a ten days' auto trip in Mexico. They secured passports at San Diego, and after making the necessary arrangements with the Mexican authorities at Tecate for taking an automobile into the country, traveled south on the worst roads imaginable to El Carrizo, to the Russian village on the Gaudaloupe River, to Ensenada, the capital of Lower California, finally reaching a point in the Punta Banda Mountains, one hundred and fifty miles below the border. Twice during the trip they were obliged to secure teams to haul their machine through swollen rivers and once they were halted by an armed band who posed as officers of Governor Cantu's government, but after submitting to a thorough search they were permitted to continue their journey. They also visited Tia Juana and Mexicali on the trip and returned to Glendale via the Imperial Valley and the desert where they were delayed by a sand storm. They both say that if you really want to appreciate the good old U. S. A., just visit Mexico.

Advertise it, or advertise for it in the Evening News.

TRIPLEX SPRINGS

OVERLAND CONSTRUCTION APPEALS WHEN BAD ROADS ARE ENCOUNTERED

The Overland Four closed car is increasing in popularity constantly, says Mr. Lawrence, of the Overland Glendale agency. The Overland is making such splendid records in every test as well as in every-day use on the road and Overland owners are so enthusiastic about their cars that they are proving the best advertisements of the car, he says. The triplex springs of the Overland especially appeal to those who have to traverse rough roads, Mr. Lawrence states.

HARD ON TIRES

The severest wear on automobile tires is caused by driving on the car tracks, according to an official of a rubber company. He says that when on the tracks most of the load is concentrated on a limited portion of the tread, so that it is overloaded and quickly worn away, besides a sharp-pointed frog may actually cut a piece of the tire just as a knife would.

The old tower on the high school building at Alhambra is being torn down, because it weighs nearly 27,000 pounds, which is considered too heavy a weight for the building to hold up in addition to the heavy courses of study carried there.

THERE'S A REASON

WHY YOU SEE SO MANY CHEVROLETS ON THE ROAD, SAY FISH & TARR

Fish & Tarr, of the local Chevrolet Agency, are still of the opinion that they are selling the best low-priced car in the world. "We don't have to explain the good features of the Chevrolet to the prospect although we are perfectly willing and glad to do so," says Mr. Fish. "He already knows all about it. He has learned from Chevrolet owners (and there is an ever-increasing number of them), just what he wants to know about the car. There's a reason why you see so many Chevrolets on the road and the low price isn't the only reason."

MANY OLD PEOPLE

Serbia is the land of centenarians. In that country, figuring on the present number of centenarians in proportion to the whole population, one person in every 2260 lives to the age of 100 years. In Denmark and Switzerland, on the other hand, the average is less than one to a million of population.

Borem.—Now, what would you do if you were in my shoes, Miss Cutting?

Miss Cutting.—I'd point the toes toward the front door and give them a start.—London Tit-Bits.

RETREAD YOUR TIRES

Since the advance in the price of new tires it is all the more to your advantage to retread your worn ones. There is just as much difference in **Retreading** as there is in **New Tires.**

MONARCH RETREADING PAYS

Take us into your confidence with regard to your tires and we will save you money. If your tires cannot be retreaded it is because they were not of good quality in the first place or have not been properly cared for or have been run too long. Start out right by buying Goodyear Tires, keep the air pressure up all the time, take them off when the rubber is worn through and bring them to us to retread.

THIS IS THE WAY TO GET THE MOST FOR YOUR MONEY!

DO IT NOW!!

HUDSON SUPER SIX

Hudson for Five Years the Master in Motor and Style

No other fine car is so well regarded by so many people as the Hudson Super-Six. Proof is everywhere about you. Over 85,000 are now in service. For five years it has been the world's largest selling fine car.

Observe how it predominates in every assemblage of fine cars. Every body type is noted for handsome appearance and richly complete detail. All know how its style leadership is acknowledged.

But Hudson's chief appeal must always be in performance.

It holds the world's stock car records for speed, acceleration, hill climbing and endurance. The Super-Six motor, exclusive in Hudson, made these victories possible. It adds 72 per cent more to power and almost doubles efficiency. And, more important to you, it reduces destructive motor vibration almost to nil, thus assuring the reliability and endurance you want in your car.

Hudson production has always been below the demand. To get a Hudson at all this summer you must order now.

GLENDALE CHEVROLET AGENCY

CHEVROLET

115 East Broadway

GLENDALE, CALIFORNIA

Dear Sir:

You have heard of the Chevrolet. And you have seen plenty of them.

You have seen more of them this last year than ever before. And you will see more next year.

Wherever automobiles are to be seen—and that is everywhere—the Chevrolet is a familiar sight.

This should mean something to you. The public does not buy a car in ever increasing numbers unless it meets with popular approval.

The Chevrolet has popular approval. We would like you to know why it has.

It would be easy for us to tell you the reasons for Chevrolet popularity. But before you come to us, learn them from other sources.

Watch for the Chevrolet. Judge its appearance. See the number of passengers it will seat and carry comfortably.

Watch for it on the roads. See how it throttles down and picks up in traffic. Above all watch the next Chevrolet you see take a hill. That is proof of the pudding.

And as soon as you get a chance ask the driver of a Chevrolet what he thinks of it. Get him to show you its equipment. Ask him how many miles he gets on a gallon of gasoline—on tires.

And while your own eyes and ears are finding out about Chevrolet performance keep in mind the prices.

There won't be much left for us to tell you. But we'll take you for a ride in one whenever you like.

Yours very truly,

Used Cars Bought and Sold.

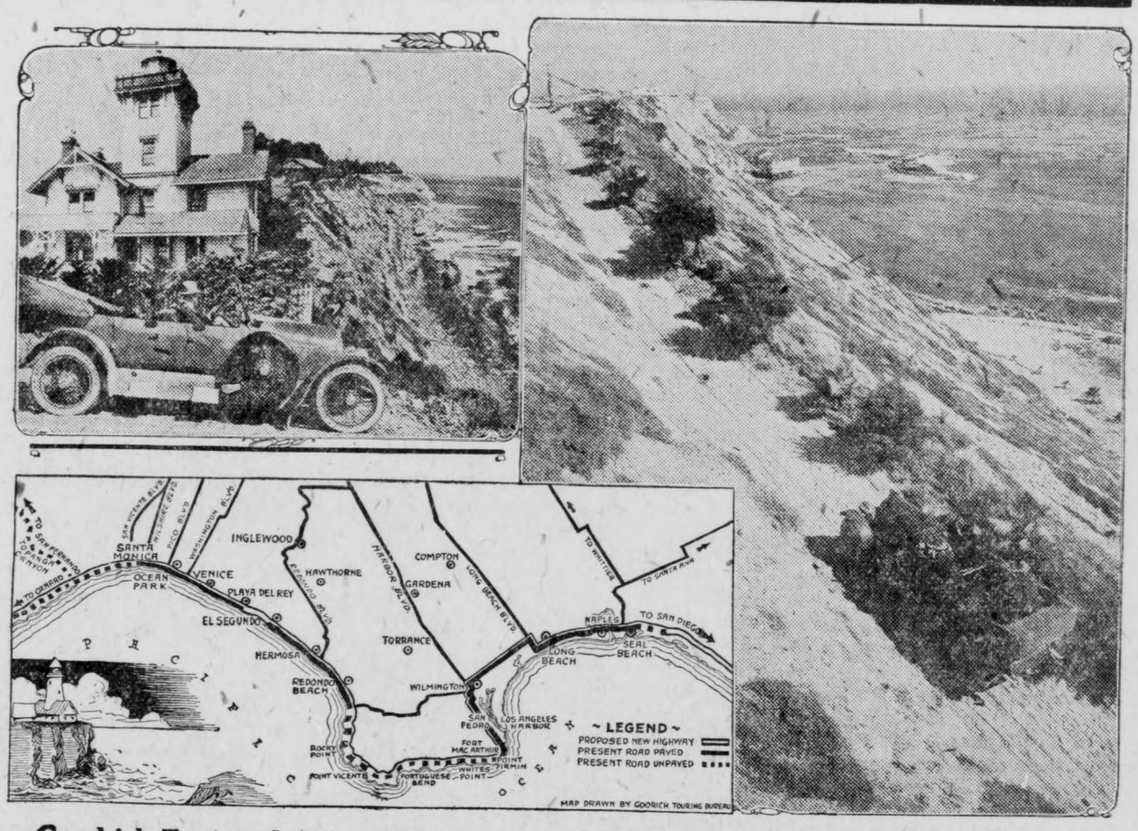
Magnificent Marine Drive



Goodrich Equipped Automobile Goes Over Portions of Proposed State Highway Extending from Oxnard to Capistrano. Photos Made on Section Between Redondo and San Pedro.

LIVE LIKE CLIFF DWELLERS

A characteristic bit of the old world may be seen near Roundup, Mont., where Austrian and Italian miners have built their homes in ancient fashion, under a projecting rim rock. By simply erecting a stone wall they have a shelter that cannot be bettered for warmth in winter and coolness in summer.

IT COSTS A FORTUNE TO WED IN AUSTRIA

WASHINGTON, April 15. (United Press.)—The high cost of marriage is causing general discontent in Austria, according to a Vienna newspaper forwarded to the commerce department.

The cost of marriage now is 240,000 crowns for the bride alone, according to the newspaper schedule. This is equivalent to about $6000 counting the crown as worth 2½ cents.

This amount would buy 32,000 crowns worth of dresses, linen 44,000 crowns and furniture 164,000 crowns. In Austria it is customary for the bride to furnish the house as well as providing her trosseau.

HOW MUCH GAS?

AUTO CLUB ENDEAVORING TO COMPUTE AMOUNT USED IN SOUTH

There is no definite check available on the amount of gasoline being used annually by the motorists of Southern California, according to the Auto Club, and that organization is anxious to get the opinion of the touring public on the subject.

Mr. Motorist, how many gallons of gasoline do you use a month? How many do you use a day?

This paper is co-operating with the club in finding out whether or not the southern part of California is the greatest motoring field in the world, and in order to do this every automobile owner is asked to aid by giving his individual opinion on the matter, as well as the approximate figures on his gasoline consumption.

The touring bureau and sign-posting department of the Automobile Club place the estimate at between four and five gallons per day for each motorist in the southern part of the state. This does not mean that every motorist uses this much gas, but that if the amount used by all motorists here daily were added together and re-apportioned evenly, then it would be shown that the average motorist uses about four gallons each day.

But other experts declare that this figure is too high. Another estimate is advanced that the total average consumption of gasoline annually by each auto owner is 400 gallons. According to the Auto Club's published figure, the average individual consumption is about 1700 gallons a year.

What do you think about it? The Bureau of Mines and Oils in Los Angeles is now at work getting the most accurate figures on the question possible, and the estimate of the Bureau will be published in these columns shortly.

In the meantime, get out your pencil and decide what you consider to be the truth of the matter, then send your answer into this newspaper or to the Automobile Club of Southern California at the nearest branch office or to the headquarters. The nearest correct estimate will be made public. In addition, the club is anxious to put on record the answers of all who are public-spirited enough to reply. It is believed that there is more touring in this part of the state than in any other part of the world. Will you help prove it??

AUTO STEALING

NEW METHODS CONTRIVED BY THIEVES TO AVOID DETECTION

That auto stealing has become almost a science is proven by the constant new methods invented to make way with cars. One very difficult of detection is that adopted in the theft of the stripped Ford found near North Verdugo Road a few days ago. It had regular license plates and the number they bore was accredited to a man living in Highland Park, but when asked if the auto found belonged to him he said he had never owned one. So it appears that some member of the theft gang had procured plates and certificate in this man's name without his knowledge and then placed them on the stolen car as soon as it was taken possession of. This made it all the more difficult to trace the stolen machine as the motor number and the general description were all the identification points available and this latter could be very easily and quickly changed.

THE UNIVERSAL CAR

Full and Running Over

Our stock rooms are full of Genuine Ford Parts. We have an assortment of parts that would enable us to build either a Ford passenger car or a Ford One Ton Truck from the ground up. Then, too, those parts are Ford-made—each according to its use—so that they are exact duplicates of the original parts now in your car, and will give the same constant, hard wear.

Our shops are equipped with up-to-the-minute tools and machinery, specially designed, so that we can properly and promptly take care of your repair work—from a minor adjustment to a complete overhaul. And the mechanics who will do the work for you are men who understand the Ford mechanism and who know the Ford way to do the work.

We are Authorized Ford Dealers; we not only give Ford Service but we sell Ford cars and Ford One Ton Trucks as well. So, it is easy to understand that we have more than a passing interest in your car.

Drive to any of the following garages for Ford parts, Ford Service or Ford Cars—Come to authorized Ford headquarters and be on the safe side of dependable repairs.

NEW SHOW ROOMS

CHAMBERS & FELTS ANTICIPATING SPLENDID BUSINESS IN NEW LOCATION

Chambers & Felts are making all kinds of plans for the development of their business when they move into their new show rooms in the building that is being erected for them on Brand boulevard near the Masonic Temple. These gentlemen say they have the agency for cars that sell themselves so great a reputation have they established for themselves. The Hudson is conceded to be the finest "fine" car made, says Mr. Felts, and the Essex has already demonstrated its superiority as a lower priced car. The Maxwell truck, for which Chambers & Felts are local agents, is taking its rightful place among trucks in its class also, they say.

DIFFICULT FEAT

An ascent to the top of Multnomah Falls, near Portland, Oregon, on a scout model motorcycle, over a tortuous trail evidently never intended for a self-propelling vehicle, has just been accomplished by B. W. Rice, a well-known motorcyclist of Portland. The trail which leads to the brink of the falls, 700 feet above the roadway, is exceedingly narrow and in many places very slippery, so that the handling of the handle bars was a matter requiring the skill of an expert. Much difficulty was experienced in getting around a slide of dirt and rocks, caused by the recent heavy rains, and at this point the rider had some real thrills, but owing to the ability of his Goodyear tires to secure good traction on the slippery surface he got around the obstruction. On the return journey the difficulties were even greater than on the ascent, and it was necessary to attach a rope to the machine, the accompanying party holding the rope and following the motorcycle. Motorcyclists say that this is the most difficult feat performed this season and are giving much of the credit to the Goodyear tires used on both wheels.

TAXI PROFITEERING

AMERICAN AMAZED AT PRICE ASKED BY RUSSIAN DRIVER OF FORD

B. L. Graves, Los Angeles manager of the Ford Motor Company, recently related a story about a Russian driver that puts the efforts of local profiteers to shame. Mr. Graves said:

"You know that Harbin is located in China and unblushingly professes to be the dirtiest city in all Asia, and no one could ever hope to successfully dispute her claims. One very hot afternoon an American happened to be about two miles from his hotel and was very desirous of returning at once to it. He searched all around but was unable to find a droskey or Russian cab, but at last came upon a Ford taxi of the vintage of 1916, and approaching the driver demanded his rates for transportation to the hotel.

"Five hundred roubles," said the driver.

"No! No!" said the American, thinking that perhaps in his faulty Russian the driver had misunderstood him and thought that he desired to purchase the car. "I do not want to buy the car; I merely want to be driven to the hotel."

To make a long story short, after ten minutes of bargaining the price came down to 300 roubles, and the was driven to his hotel in the Ford taxi. When I first heard the story I thought that the rates were exorbitant, but while in the old days of the Russian Empire 300 roubles was worth about $1'0, today it is only about $3.60.

SCORED Cylinders Repaired

by our Nickel Silver Process.
No Rebore. Use Old Pistons.

ABSOLUTELY GUARANTEED

Drive your car in and have those twisted and jammed fenders straightened.

We have installed special tools for ironing and straightening fenders and bodies. No matter how bad they are jammed we can restore them to their original shape without removing them from your car. Our fender work is sure to please.

Welding and Radiator Repairing that Gives Satisfaction

We handle "Staggard" and "Flexo" Radiator Cores. Let us figure on installing a new core in your old radiator. We can save you half the price of a new radiator.

GLENDALE, CALIFORNIA, SATURDAY, APRIL 17, 1920

VILLA TAKES A HAND

SECURES AMMUNITION TO DEFEND SINALOA BORDER AGAINST CARRANZA FORCES

(Special Service to Glendale Evening News)

AGUA PRIETA, Sinaloa, April 17.—Couriers from Francisco Villa, the bandit chief, arrived here today with an urgent appeal for machine gun ammunition.

While it was reported that Villa wanted the ammunition for followers defending the Chihuahua-Sinaloa border from attack by Carranza, marching to put down Sinaloa rebels, the destination of the ammunition sent, pursuant to his request, was kept a secret. Eight hundred soldiers arrived in Agua Prieta during the night to reinforce the local Sonora garrison.

NEW YORK RAILROAD STRIKERS

REPORTS THAT MANY MEN ARE RETURNING TO WORK AND ALL EXPECTED TO REPORT BY NIGHT

(Special Service to Glendale Evening News)

NEW YORK, April 17.—All the railroads in the New York district reported that strikers are returning to work in large numbers today. Some of the roads announced that they expect practically all of the strikers to report for duty before night.

ANNOUNCEMENTS

ADVERTISEMENTS

NOTICE OF DISSOLUTION OF PARTNERSHIP

Public notice is hereby given, that the partnership known as Modern Shoe Shop at 114 East Broadway, Glendale, California, composed of Elmer Chas. Herman and Mrs. J. D. Spence, has on this 9th day of April, 1920, by mutual agreement, been dissolved and terminated, said business and stock having been sold to Mrs. J. D. Spence who will conduct and carry on said business under the name of Modern Shoe Shop at 114 East Broadway, Glendale, California.

All creditors to whom the above partnership is indebted are respectfully requested to present bills for payment not later than April 25, 1920, to the undersigned at 114 East Broadway, Glendale, California.

ELMER CHAS. HERMAN.
MRS. J. D. SPENCE.

Dated this 9th day of April, 1920.

A SUCCESS

"Our One Cent Sale was a big success, says A. G. Spohr. "We were glad to note how quickly the people of Glendale and vicinity respond to real values when it comes to their notice. The fact that we were out of goods the second day was due to two causes. First, because the business was double what we had expected and second, the freight strike tied up a great quantity of our goods in transit. People over the country in general are fast awakening to the merits of Rexall products and have come to look for the Rexall Store in any locality in which they may be, realizing that it stands for the best."

Personals

E. D. Yard was in the Evening News office today, still suffering some from his auto accident of a week ago, but able to be at work.

Geo. Hastings has taken out a permit for the erection of a 6-room residence at 319 W. Lexington Drive, to cost $5000. G. W. Calkins is the contractor.

S. A. Young will build a 5-room house, to cost $3000, at 528 W. Doran. This makes three houses now under construction in the block just west of Pacific avenue on Doran.

Geo. A. Fish, who has been a city street cleaner for some time past, has been compelled to give up his job on account of ill health.

Prof. Normal C. Hayhurst, High School coach and director of athletics, is spending the week-end in Monrovia.

Mr. and Mrs. George E. Larkey, 1305 North Central avenue, and F. J. Phelan, of the same address, went to Camp Baldy recently where they bought a site for a cabin and will begin building soon.

C. W. Spickerman is superintending the building of a garage for temporary residence purposes on a lot recently bought by Geo. Butcher of Long Beach at 319 Howard street. This garage is to cost $400.

Mr. and Mrs. E. J. Harrington have rented their fine residence and poultry ranch at 919 East Acacia avenue and sold the stock of the latter to Mr. Thomas, who recently came here from Minneapolis, Minn. They will move to Los Angeles about May 1st and take a rest for a year or two.

Misses Dorothy Peart, Agnes Brown, Helen Ingledue, Madeline Love and Hazel Wilson went to Glendora Friday afternoon to attend the District Convention of the Epworth League which opened with a banquet Friday night. Misses Eunice Peart and Doris Ingledue are to join them today.

Major T. H. Brunton, of Toronto, left for his Canadian home the middle of the week after quite an extended visit with his son here. He is a judge on the bench in the Ontario capital and enjoyed his stay here very much. It is not his first visit to Southern California. He goes by way of San Francisco and Seattle.

Mr. and Mrs. Mattison B. Jones had the pleasure of entertaining as dinner guests at their home on Brand boulevard Thursday evening, Dr. and Mrs. J. Whitcomb Brougher of Los Angeles, Dr. Brougher being one of the speakers who addressed Unity Chapter No. 116, which that evening entertained the Grand King of the Grand Lodge of the State of California.

Mrs. Helen Sawyer of 613 North Louise is the latest resident of that progressive street to plan lawn and yard improvements. She recently bought one of the new Colonial bungalows just completed and will have the grounds improved with shrubbery, flowers and trees, following out a plan prepared for her by Mr. Fram. Major Kellogg, just across the street at 614, will have his place similarly improved later on.

Mrs. Charles H. Toll of Kenneth Road is a guest at a luncheon which is being given today at Rest Haven, a resort for women who need mental stimulus and care. It is maintained by club women of Los Angeles under an organization headed by Mrs. O. P. Clark, former president of the Friday Morning Club, and club women generally are greatly interested in the work it is attempting to do.

Mr. and Mrs. Harold D. Charlton entertained two of the soldiers of Troop M, 11th Cavalry, at dinner on Wednesday evening, the guests being Private W. B. Knowls and First Sergeant J. F. May. As Private Knowls and Mr. Charlton were both over seas and also on the Mexican border stationed near each other, they had many stories to relate of their experiences. A pleasant evening was spent at cards and later at the street dance. The young men declared that Glendale had shown them more courtesies so far on their journey than any other town, excepting Whittier, and they certainly appreciated the reception given them here.

SQUEEZED TO DEATH

When the body begins to stiffen and movement becomes painful it is usually an indication that the kidneys are out of order. Keep these organs healthy by taking

GOLD MEDAL HAARLEM OIL CAPSULES

The world's standard remedy for kidney, liver, bladder and uric acid troubles. Famous since 1696. Take regularly and keep in good health. In three sizes, all druggists. Guaranteed as represented. Look for the name Gold Medal on every box and accept no imitation

At Age 96?

Not only in low net cost, fair dealing, and freedom from error has "The Provident" been a leader among Life Insurance Companies, but in form of policy it has always taken front rank in advocating and selling Endowment contracts as being preferable to Life policies.

"The Provident" believes that a man owes a duty to the old man (himself), as well as to the family either at his death or in their old age. The small extra premium deposited each year which brings down the maturity of the contract to age 60 or 65 instead of age 96 (when a Life policy matures) will accomplish this end.

The premiums on long Endowments in "The Provident" are very low. Ask me about them.

F. G. Hartman is to build a garage and add a bathroom to his house at 520 East Acacia avenue.

Mrs. W. C. Bradley, 523 Oak St., is leaving this afternoon to visit her son and daughter in Gardena, Mr. and Mrs. Howard Bradley.

Miss Gladys McKee, of Security National Bank, Los Angeles, will spend the week-end with Mr. and Mrs. J. MacMillan, 350 Hawthorne street.

H. H. Easton will remove to 1119 Stanley Court a 4-room house now standing on a nearby lot and remodel it for a residence, at a cost of $500.

Merton Johnson, 312 Patterson Ave., has taken over the management of the Salmacia Bros.' music store in Burbank and is reported as being very successful there.

R. Duarte will remove a building from the rear of the lot at 105 N. Belmont to the rear of the lot at 100 S. Cedar and remodel it for a dwelling. The estimated cost of the improvement is $500.

Mrs. Pettibone of Hollywood, Mrs. M. Smith of Inglewood and Mrs. E. E. Smith of Glendale have recently undergone operations at the Glendale Sanitarium and Hospital for the removal of their tonsils.

CHAPTER B. A.

Chapter B. A. of the P. E. O. was very pleasantly entertained Friday by Mrs. Oliver Clark at her home, 346 North Louise street. Mrs. A. D. Cross was the assisting hostess. Following a business session in the morning the cutomary luncheon was served. In the afternoon a program was enjoyed which included a reading by Mrs. Russell of extracts from "More Power to You," Mrs. E. H. Willisford reading from David Grayson's writings. Mrs. Frank Arnold sang. A most agreeable surprise was the presence of Mrs. Geo. Carter, a former resident of Glendale, who is now living at McFarland. Mrs. Bowen and Mrs. Humphrey of the Burbank Chapter were guests, as were also a few members of Glendale chapters. In all about twenty-six ladies participated in the day's pleasures.

Four hundred and sixty thousand more fish of various kinds have been planted in the streams of Ventura county. If carefully nurtured, there ought to be at least a couple of hundred there when they get big enough to catch.

Advertise it, or advertise for it in the Evening News.

BIG WEDDING

GLENDALE CLERGYMEN WITNESS MARRIAGE OF DAUGHTER OF W. L. Y. DAVIS

Dr. and Mrs. Clyde Monroe Crist and Rev. and Mrs. F. Marion Smith of this city, visited Pasadena Thursday evening to witness the marriage of Miss Heloise Davis to Raymond Haight, which took place in the First Methodist Church of the crown city. The officiating clergyman was W. L. Y. Davis, father of the bride, and District Superintendent of M. E. Churches. The church was beautifully decorated for the event with bamboo and crab apple bloom. Four young women, carrying large arm-bouquets of crab apple blossoms, accompanied the bride, the maid of honor being her sister, Dorothy Davis. The bride wore the conventional wedding veil and made a pretty picture in her lovely wedding gown. In spite of stormy weather the church was well filled with friends of the contracting parties who are very popular in Pasadena. Following the ceremony the bridal party and immediate relatives of Mr. and Mrs. Haight were entertained with a wedding supper at the home of the bride before leaving for a honeymoon trip. They are to reside in Los Angeles on North Hobart boulevard in a beautiful home just completed and furnished by the groom, who is the son of a millionaire. He is a lawyer by profession and, like the bride, is a graduate of the University of Southern California.

A. G. LARSON DOING CONSIDERABLE BUILDING

A. G. Larson, 330 West Broadway, is remodeling the house and garage at 205 E. Harvard. He does not know just how extensive the improvements will be yet, but at least will include the building on of a bath room and several other rooms, also the putting in of a concrete drive and other improvements, which will mean that a very desirable addition will be made to Glendale's housing facilities. Mr. Larson has also bought a lot on North Central and is figuring on building a six-room bungalow there very soon. He sold his place at 330 W. Broadway some three weeks ago and will move to his house on 105 North Central as soon as the present tenants can move out.

SECRET OF SMOKE SCREEN

The secret of the smoke screens used with such great success by the British navy in the raids on Ostend and Zebrugge is definitely disclosed. They were produced from an acid, which has to be burned in the presence of a sufficient amount of water vapor, otherwise the smoke produced, even over the seas, is liable to be somewhat thin on a dry day. Commander Brock, who sacrificed his life in the assault on the German defenses at the Belgian ports, devised the plan to feed the acid in a fine spray into the funnel of a destroyer, where the temperature was sufficient to vaporize the acid, and the water vapor present completed the formation of the cloud.

CHINESE MUSIC

Chinese music has always been beyond the grasp of the occidental mind, appearing to have neither rhyme nor reason to it. As a matter of fact, a Chinese musician must be very skilled, indeed, in his profession to hold a position in an oriental orchestra. Chinese music is not written. The words of some of the favorite songs have been preserved but the music has been handed down from father to son for generations that go far back before the day of the troubadours. When music is played it is played according to the memory of the musician and his idea of interpretation. A musician varies the performance as his best judgment dictates, and the strings, reeds or brass may break in at almost any time.

The Greatest Problem of the Home

Do you hire a laundress to come to your home to assist with the weekly washing? You are fortunate if you can get a reliable woman when you want her. She can do the hardest part of the work but she can't eliminate the disagreeable fact of washday itself. The weekly laundry is the greatest problem of the housewife and has been from the beginning of time. She can only solve it to the satisfaction of herself and family by sending the soiled linen to the home laundry.

Why not solve the laundry problem once for all by sending it to us?

Glendale Laundry
Glendale 1630

EVERY YOUNG COUPLE PLAN to have a home of their own sometime and the sooner they can get it the better. If you desire to build a house, I have some choice building lots in desirable locations as well as pretty bungalows or more pretentious houses that you can buy through me on easy terms. A small payment down and small monthly payments gets you a home.

DENSELY-POPULATED COUNTRIES

Egypt proper is the most densely populated country in the world, with 1057 persons to the square mile. Saxony is next with 830, Belgium third with 652, England and Wales next with 618 and Holland next with 535. For the whole of Germany the number is 310, while the United States has only about 35 persons to the square mile, Canada two persons and Australia 1.6.

JOHNNY'S MISTAKE

Johnny went to answer the door bell and replied to a woman's inquiries that his mother was out. "Thank you, I will leave my card," she said, taking out her purse. As she did so the square tissue paper that was with the card fluttered out and landed on the steps. "Hey, missis," shouted Johnny, after the departing caller, "you dropped a cigarette paper."—Pittsburgh Post.

"What references have you?" "Thirty, sir; and all of them excellent." "Good. And how long have you been driving a car?" "Nearly a year now, sir."—Weekly Scotsman.

THE WORM TURNED

Clifford was not feeling energetic and persuaded Elmer to do his chores for him, and afterward kept the little fellow running errands for him until he became exasperated and exploded thus: "Good gracious, what's the matter with you, Cliff? Maybe you've an engine inside of you that would do its own running, if you'd crank it up and give it a chance."

NEED MORE NATIVE RICE

While the rice milling industry has been steadily growing in the United States, it has treated domestic rice almost exclusively, very little of the foreign product being handled. The growth of this industry, seems, therefore, to depend upon the development of the rice-growing industry in the United States.

"What has become of you niece, Mrs. O'Rafferty?"

"Sure, an' she's done well wid herself. She married a lord."

"No, I don't think he's an English lord. He's a landlord. He kapes a hotel out in Indiana."

MARINE DRIVE

ROAD TRAVERSING PALOS VERDES RANCH IS SCENIC AND HISTORIC

It is estimated that over 200,000 tourists visit Southern California annually. The majority of these come to see and enjoy the out-of-doors to the fullest extent. By building scenic drives—Californians have done much to stimulate tourist trade and each season shows a decided gain in number of visitors.

The recent ratification of the $40,000,000 good roads bond issue by the voters of the state, insures several important new highways, the value of which are reckoned both from a scenic and utility standpoint. The proposed new highway from Oxnard to San Juan Capistrano is perhaps one of the most ambitious improvements included in the appropriation. This highway will be constructed at a cost of $4,000,000 the largest sum by over a million dollars allotted to any single highway on the present building program.

Surveyors and engineers are already at work on the portion of the highway extending from Redondo Beach to Laguna. It is hoped that actual construction work will be under way within a few months. When the highway is completed, motorists can travel for approximately 250 miles following the contour of the coast line around rugged cliffs and rocky points from Gaviota to San Diego.

The construction of this road is a tremendous undertaking and characterizes the desire of citizens to capitalize the natural beauties of California. Not only will the road be enthusiastically received by motorists, but it will also prove of great commercial benefit to the fruit and produce growers.

Some of the stretches, including the roads from Serra to Laguna Beach, from San Pedro to Redondo and from the mouth of Topanga Canyon to Malibu Ranch are already traversed with fairly good dirt roads. These will have to be regraded and paved. Other portions will have to be rebuilt entirely. San Pedro to Balboa an entirely new road will have to be constructed.

Perhaps one of the most interesting sections of the road, both from a scenic and historic standpoint, is that section which traverses the famous Palos Verdes ranch. This tract of land, originally a Spanish grant, lies southwest of Los Angeles, between Redondo Beach and San Pedro, and is more familiarly known as the Palos Verdes hills.

M. D. Bixby, of the B. F. Goodrich Rubber Company co-operating with Dowling & Fisher, sent a Goodrich equipped Revere touring car along this section of the road to secure photographs and other data pertaining to the improvements to be made.

Starting at San Pedro, the party drove along a smooth asphalt boulevard to the high cliffs at Pt. Firmin, famous in Dana's "Four Years Before the Mast," as a point where ships stopped in the early days and took on the cargoes of wool and hides. The government lighthouse at Pt. Firmin is one of the oldest and best known in Southern California and is visited yearly by hundreds of tourists. The big guns at Ft. MacArthur overlooking Pt. Firmin form the bulwark of Southern California's defense against enemy naval attacks.

At the time of the California revolution it is said that California troops occupied this famous ranch. Pio Pico, with troops outnumbering the Californians six to one, camped on the Dominquez ranch, several miles to the east. Seeing defeat was inevitable, unless the Mexicans could be frightened away by some ruse, the California leader formed his men in a wide circle on the western slope. A portion of the troops appeared silhouetted on the ridge. The men were kept marching all day. The Mexicans seeing the seemingly endless line of California troops imagined that they were facing several thousand men, retreated to San Diego, where later General Fremont, the California leader, with reinforcements, met and defeated them, thus establishing California's independence.

Pound or pound the steels in a MAXWELL equal those in any car

THE tendency in cars today is to reduce weight, to cut out unnecessary pounds, to take those extra burdens off the power of an engine.

In a Maxwell there is hardly a superfluous pound. Like a great cross country runner, it carries no handicap in weight.

It is made of fine steels, and these steels have that magic combination that metallurgists strive for—light weight and extra strength.

These steels are made to order for Maxwell. They are treated in great furnaces, and they are strong beyond belief.

Pound for pound, they equal the steels in any car built.

But they more than repay for their high cost.

They wear. They stand terrific abuse. They defy time.

But their greatest task is to lighten the burden of the Maxwell engine, enable it to perform brilliantly, and make gasoline deliver extended mileage.

Thus you will understand that rise of Maxwell the world over, that ever growing friendship, that ever increasing demand.

Today nearly 400,000 in use. In 1920, 100,000 more.

Still this will fill but 60 per cent of the world's requirements for this remarkable car.

NOTICE OF HIGH SCHOOL BOND ELECTION

Notice is hereby given to the qualified electors of Glendale Union High School District of Los Angeles County, California, that, in accordance with the provisions of the Political Code of the State of California, an election will be held on the 10th day of May, 1920, at the polling places named in the hereinafter designated precincts in this High School District, between the hours of 8 a. m. and 6 p. m. (during which period and between which hours the polls shall remain open), at which election the question of issuing and selling bonds of this High School District to the amount of Two Hundred Fifty Thousand Dollars, for the purpose of raising money for purchasing High School lots, for building or purchasing one or more High School buildings, or making alterations or additions to the High School building or buildings, for insuring High School buildings, for supplying High School buildings with furniture or necessary apparatus, and for improving the grounds, shall be submitted to the qualified electors of said District and be voted upon.

The said bonds proposed to be issued and sold shall be of the denomination of One Thousand Dollars each, and shall bear interest at the rate of six per cent per annum, payable semi-annually, and shall be numbered from 1 to 250 consecutively, payable as follows, to-wit:

Bonds Nos. 1 to 10, inclusive, each One Thousand Dollars, to run 1 year,
Bonds Nos. 11 to 20, inclusive, each One Thousand Dollars, to run 2 years,
Bonds Nos. 21 to 30, inclusive, each One Thousand Dollars, to run 3 years,
Bonds Nos. 31 to 40, inclusive, each One Thousand Dollars, to run 4 years,
Bonds Nos. 41 to 50, inclusive, each One Thousand Dollars, to run 5 years,
Bonds Nos. 51 to 60, inclusive, each One Thousand Dollars, to run 6 years,
Bonds Nos. 61 to 70, inclusive, each One Thousand Dollars, to run 7 years,
Bonds Nos. 71 to 80, inclusive, each One Thousand Dollars, to run 8 years,
Bonds Nos. 81 to 90, inclusive, each One Thousand Dollars, to run 9 years,
Bonds Nos. 91 to 100, inclusive, each One Thousand Dollars, to run 10 years,
Bonds Nos. 101 to 110, inclusive, each One Thousand Dollars, to run 11 years,
Bonds Nos. 111 to 120, inclusive, each One Thousand Dollars, to run 12 years,
Bonds Nos. 121 to 130, inclusive, each One Thousand Dollars, to run 13 years,
Bonds Nos. 131 to 140, inclusive, each One Thousand Dollars, to run 14 years,
Bonds Nos. 141 to 150, inclusive, each One Thousand Dollars, to run 15 years,
Bonds Nos. 151 to 160, inclusive, each One Thousand Dollars, to run 16 years,
Bonds Nos. 161 to 170, inclusive, each One Thousand Dollars, to run 17 years,
Bonds Nos. 171 to 180, inclusive, each One Thousand Dollars, to run 18 years,
Bonds Nos. 181 to 190, inclusive, each One Thousand Dollars, to run 19 years,
Bonds Nos. 191 to 200, inclusive, each One Thousand Dollars, to run 20 years,
Bonds Nos. 201 to 210, inclusive, each One Thousand Dollars, to run 21 years,
Bonds Nos. 211 to 220, inclusive, each One Thousand Dollars, to run 22 years,
Bonds Nos. 221 to 230, inclusive, each One Thousand Dollars, to run 23 years,
Bonds Nos. 231 to 240, inclusive, each One Thousand Dollars, to run 24 years,
Bonds Nos. 241 to 250, inclusive, each One Thousand Dollars, to run 25 years.

That for the purpose of holding said election, the said Glendale Union High School District shall be and it is hereby divided into six High School bond election precincts, designated as follows, to-wit:

Glendale City Precinct No. 1, Crescenta Precinct, Eagle Rock City Precinct, Glorietta Precinct, Glendale City Precinct No. 2, Glendale City Precinct No. 3. The said precincts, with their respective polling places and officers of election, shall be as follows:

CRESCENTA PRECINCT

Shall consist of all that portion of the Glendale Union High School District included within Crescenta School District. The polling place therein shall be the Crescenta School, and the officers of election shall be as follows:

Inspector: Rose G. Nettleton.
Judges: L. A. Potter, Louise Erwin.

EAGLE ROCK CITY PRECINCT

Shall consist of all that portion of the Glendale Union High School District included within Eagle Rock City School District. The polling place therein shall be the Central School in said District, and the officers of election shall be as follows:

Inspector: G. N. Sprague.
Judges: Edith M. Eckert, Carrie A. Roberts.

GLORIETTA PRECINCT

Shall consist of all that portion of the Glendale Union High School District included within Glorietta School District. The polling place therein shall be the Glorietta School, and the officers of election shall be as follows:

Inspector: Mary L. Lewis.
Judges: Mary B. Woodruff, Elizabeth Darlington.

GLENDALE CITY PRECINCT NO. 1

Shall consist of all that part of Glendale City School District (being part of the Glendale Union High School District) bounded as follows:

Beginning at the intersection of the westerly boundary line of said Glendale City School District with the produced center line of that part of Windsor Road lying west of Columbus Avenue; thence southeasterly, northeasterly, northerly, easterly, northerly, easterly, and northerly, following the boundary line of said Glendale City School District along all its various courses to its intersection with the center line of Rock Glen Avenue; thence westerly along the center line of Rock Glen Avenue to the center line of Verdugo Road; thence southerly along the center line of Verdugo Road to the center line of Windsor Road; thence westerly along the center line of Windsor Road to the east line of Brand Boulevard; thence southerly along the east line of Brand Boulevard to the produced center line of that part of Windsor Road lying west of Brand Boulevard; thence westerly along said produced center line and the center line of the last mentioned part of Windsor Road to the center line of Columbus Avenue; thence southerly along the center line of Columbus Avenue to the center line of that part of Windsor Road lying west of Columbus Avenue; thence westerly along said last mentioned center line of Windsor Road and its prolongation to the point of beginning.

The polling place therein shall be at No. 1021-A South Brand Boulevard in the City of Glendale and the officers of election shall be as follows:

Inspector: Mai Henry.
Judges: Cora Hickman, Nellie B. Simpson.

GLENDALE CITY PRECINCT NO. 2.

Shall consist of all that portion of Glendale City School District (being part of the Glendale Union High School District) bounded as follows:

Beginning at the intersection of the westerly boundary line of said Glendale City School District with the produced center line of that part of Windsor Road lying west of Columbus Avenue; thence northwesterly along said westerly boundary line to its intersection with the produced center line of that part of Doran Street lying west of Columbus Avenue; thence easterly along said produced center line and the center line of Doran Street to the center line of Columbus Avenue; thence southerly along the center line of Columbus Avenue to the center line of that part of Doran Street lying just east of Columbus Avenue; thence easterly along the center line of the last mentioned part of Doran Street to the center line of Central Avenue; thence northerly along the center line of Central Avenue to the center line of that part of Doran Street lying east of Central Avenue; thence easterly along the center line of the last mentioned part of Doran Street to the center line of Howard Street, north of Doran Street; thence northerly along the center line of said Howard Street and its prolongation to the northerly boundary line of said Glendale City School District; thence easterly and southerly, following the boundary line of said Glendale City School District along all its various courses to the center line of Rock Glen Avenue; thence westerly along the center line of Rock Glen Avenue to the center line of Verdugo Road; thence southerly along the center line of Verdugo Road to the center line of Windsor Road; thence westerly along the center line of Windsor Road to the east line of Brand Boulevard; thence southerly along the east line of Brand Boulevard to the produced center line of that part of Windsor Road lying west of Brand Boulevard; thence westerly along said produced center line and the center line of said last mentioned part of Windsor Road to the center line of Columbus Avenue; thence southerly along the center line of Columbus Avenue to the center line of that part of Windsor Road lying west of Columbus Avenue; thence westerly along said last mentioned center line of Windsor Road and its prolongation to the point of beginning.

The polling place therein shall be the Glendale Union High School, and the officers of election shall be as follows:

Inspector: J. E. Henderson.
Judges: May C. Church, Mary E. Shropshire.

GLENDALE CITY PRECINCT NO. 3.

Shall consist of all that portion of the Glendale City School District (being part of the Glendale Union High School District, bounded as follows:

Beginning at the intersection of the westerly boundary line of said Glendale City School District with the produced center line of that part of Doran Street lying west of Columbus Avenue; thence easterly along said produced center line and the center line of Doran Street to the center line of Columbus Avenue; thence southerly along the center line of Columbus Avenue to the center line of that part of Doran Street lying just east of Columbus Avenue; thence easterly along the center line of the last mentioned part of Doran Street to the center line of Central Avenue; thence northerly along the center line of Central Avenue to the center line of that part of Doran Street lying east of Central Avenue; thence easterly along the center line of the last mentioned part of Doran Street to the center line of Howard Street north of Doran Street; thence northerly along the center line of said Howard Street and its prolongation to the northerly line of the Glendale City School District; thence westerly and southerly, following the boundary line of said Glendale City School District along all its various courses to the point of beginning.

The polling place therein shall be the Central Avenue School, and the officers of election shall be as follows:

Inspector: Oscar M. Newby.
Judges: Beryl Cross, Nora S. Burr.

The said Inspector and Judges above named, being competent and qualified electors of Glendale Union High School District, shall conduct such election at the time and in the respective places above set forth, and shall make return of said election pursuant to law. Each qualified elector of said Union High School District shall be entitled to vote only in the High School bond election precinct of which he is a resident.

IN WITNESS WHEREOF, we have hereunto set our hands this 15th day of April, 1920.

VOTERS TO DECIDE SITE

At the time of preparing the call for the election to vote bonds to the amount of $250,000, the Board of Trustees of the Glendale Union High School district adopted the following resolution:

WHEREAS, this Board has called an election to be held in Glendale Union High School District May 10, 1920, to vote on the question of issuing bonds of said district in the sum of $250,000.00; and,

WHEREAS, it has come to the attention of the Board that some electors of said District propose if said bond issue is carried that the present high school site should be abandoned and land acquired at some other place for a new site, and other electors of said district are opposed to said proposition, and this Board desires to know the opinion of the majority of the electors thereon,

NOW, THEREFORE, BE IT RESOLVED that the Board hereby calls an election to be held in Glendale Union High School District on May 10, 1920, at the same voting places, at the same time and by the same officers of election as the above mentioned bond election, and hereby submits to the qualified electors of said District at said election the following question: "Do you favor the retention of the present location of the Glendale Union High School as the permanent site of the high school with such enlargements of the grounds as may be necessary for that purpose?" Said question shall be printed on the ballots used at said election hereby called and after it shall be the words "yes" and "no" with voting squares in which electors shall indicate their choice by marking a cross; upon said ballots shall also be printed the following part of this Resolution:

BE IT RESOLVED that this Board hereby agrees and pledges itself in the event that said bonds in the sum of $250,000.00 are voted, that it will be governed in the matter of the high school site by the majority of the votes cast upon the question of retention of the present site—that is, if the majority of the votes cast are in favor of retention of the present site, this Board will proceed to acquire the block of land situated immediately east of the present site for enlargement of the grounds and will construct suitable buildings for the use of the high school, including a class room building, a heating plant and a girls' gymnasium or as many thereof as can be constructed out of said bond issue and such temporary accommodations as may seem necessary pending the completion of permanent buildings; and if the majority of votes cast are against retention of the present site this Board will proceed to acquire a new site for the high school at some suitable location to be chosen by the electors of the District at a subsequent election, and will also construct on the present site such temporary buildings or additions or alterations of the present buildings as may be necessary to accommodate the school until new buildings can be built on the new site, estimated to be about five years, and any surplus of the bond issue remaining after these purposes are carried out will not be expended until the new site is to be improved.

NOTICE OF SALE OF REAL ESTATE AT PRIVATE SALE

In the Superior Court of the State of California, in and for the County of Los Angeles.

In the Matter of the Estate of FREDERICK M. COCK, Deceased.

Notice is hereby given that the undersigned, D. B. Pingree, Administrator of the Estate of Frederick M. Cock, Deceased, will sell, at private sale, subject to the confirmation of said Superior Court, on or after the 27th day of April, 1920, at the office of JAMES F. McBRYDE, 103-A No. Brand Boulevard, Glendale, California, all the right, title and interest of said deceased at the time of his death, and all of the right, title and interest said estate has acquired by operation of law or otherwise, in addition to that of said deceased at the time of his death, and all of the right, title and interest said estate has acquired by operation of law or otherwise, in addition to that of said deceased at the time of his death, in and to the real property situated in the County of Los Angeles, State of California, and described as follows, to-wit:

That portion of Lots Sixteen (16) and Seventeen (17) in Block One (1) of "Westgate," in the City and County of Los Angeles, State of California, as per map recorded in Book 7, page 22 of Maps, in the office of the County Recorder of said County, described as follows, to-wit:

Beginning at a point in the Easterly line of said Lot Seventeen (17) Fifty (50) feet Northerly from the South Easterly corner thereof; thence Westerly parallel with the Southerly line thereof Ninety-four (94) feet to a point within Six (6) feet of the Westerly line of Lot Sixteen (16) in Block One (1); thence Northerly parallel with the Westerly line of said Lot Sixteen (16) Twenty-five (25) feet; thence Easterly parallel with the Southerly lines of said Lots Sixteen (16) and Seventeen (17) thence Southerly along said Easterly line, Twenty-five (25) feet to the place of beginning.

Terms and conditions of sale, cash, gold coin of the United States; ten per cent of the amount bid to be paid at the time of sale, balance on confirmation of sale by said Superior Court.

Bids or offers must be in writing and may be left at the office of James F. McBryde, 103-A No. Brand Boulevard, Glendale California, at any time after the first publication of this notice and before making said sale.

Dated April 8th, 1920.

D. B. PINGREE,
Administrator of Said Estate.
JAMES F. McBRYDE,
Attorney for the Administrator.

CROSS TRIUMPHANT

SIGN OF THE HOLY ROOD RISES OVER PAGAN TEMPLES

The following poem by a Sunday School pupil was handed to the Evening News by Rev. James S. O'Neill:

In the days of the Emperor Trajan
The world was amazed to hear,
That the peaceful folk called Christians
Filled the world of Rome with fear.
Though they lived in peace with all the world,
They were blamed for every wrong
Which befell the Emperor's satellites,
Or the common pagan throng.

If pestilence, war or famine
In the train of tyranny came,
The fault was of course the Christians',
That was Trajan's little game.
So he formed a "Loyal Union"
The Christians to extirpate;
And whoever laughed at the Roman gods
Was condemned to an awful fate.

The society of Romanization
Then took up its loyal work.
It scoured the world for Christian dogs
Wherever they might lurk,
And the Consuls were commanded
To hunt the Christians down
Their bitterest hate was the highest proof
Of allegiance to the crown.

But in some mysterious manner
All the tricks of Trajan failed.
And the persecuted Christians grew
While Trajan's cohorts paled.
And one fine day in Trajan's place
A Christian Emperor stood
And above the pagan temples rose
The sign of the Holy Rood.

Sunday School Pupil.

ACACIA MOTHERS' CLUB

Members of the Acacia Mothers' Club to the number of about thirty assembled for the regular meeting Friday afternoon which was a business session, followed by a social afternoon and the serving of refreshments of coffee and home-made cake, the hostesses being Mrs. Retts, Mrs. Priaulx and Miss Cornwell.

Mrs. Strong, official head of the Club, presided at the business session at which Mrs. T. Clark, Misses Forrest and Esselman were named as delegates to the Los Angeles District Federation meeting. The club also started a drum fund for the Acacia School Orchestra which needs a drum and triangle.

SEVEN EDWARDS, KINGS OF ENGLAND

Seven English kings have borne the name Edward. The first three belonged to the Plantagenet family; the fourth belonged to the house of York, and so did the fifth, the boy murdered in the Tower by his uncle, Richard II.; the sixth was a Tudor, and the seventh was Edward VII.

What a perfectly glorious way to wash.

Think of it—just place the clothes in BlueBird's big, smooth copper tub, turn the switch and leave.

In a few minutes BlueBird has washed the whole tubful perfectly *clean*, without rubbing, without wear, without work, and practically without expense—for BlueBird costs but a few cents per week to operate.

Let us demonstrate BlueBird in your home free

Please don't hesitate to ask us—we'll be delighted to show you, with your own washing, this wonder washer.

Do phone us *now* or call and see BlueBird here.

RECONSTRUCTION WORK

(Continued from Page 1)

He set forth briefly the evolution of the particular branch of court work in which he is engaged since courts first began to differentiate between juveniles and adults in attempting to deal with crime and showed how these tribunals instead of being instruments of discipline and punishment for children are rather their protectors against themselves and society in a world where they suffer from evil conditions not of their own making. He showed that a considerable per cent of offenders who come before him are feeble-minded and though of adult age have a mentality which does not exceed that of a child of five. Some of them cannot recite the months of the year nor do the simplest problem. For such, he contended there should be institutions for feeble-minded to which they could be sent regardless of age instead of leaving them free to develop into criminals as the majority do, only to find their way to the penitentiaries.

The efforts of the court are always directed to maintaining the families, if possible, when disrupted by death or divorce. Like most sociologists, Judge Reeve does not believe in institutional life for children. The mothers' pension law which now allows $20 per month for each dependent child where the mother is widowed has been of great advantage, he said, in keeping families together and the children they contain under wholesome home influence and he appeared to think the cost to the state was no greater if as heavy as would be the case were the homes broken up and the children placed in institutions.

He also spoke of the psychopathic department of his work and the effort made to distinguish between the mentally sick who could be restored to normal by a proper environment, and the real insane. By providing the immediate care needed 61 per cent of these, he said, were saved from commitment to a hospital for the insane, a saving to the taxpayers last year of about $225,000, not to speak of the preservation of the self-respect of the patients kept out of the asylums.

A great deal of crime and delinquency he traces to a specific disease, which not only afflicts the wrong doer who contracts it but is passed on to his wife and offspring. He urged as the final conclusion of his experience that there must be a moral awakening on the part of the parents and a united effort to develop in children a sense of responsibility toward society, toward their families and their God.

"Just how you are going to educate them in regard to these evils which so menace society I do not know," he said. He made it clear, however, that in his judgment it is the only hope for the future, the work of the courts being palliative and reconstructive.

There were no supplementary features to the program, no musical numbers, recitations nor toe dances, which seemed to be quite a relief to the audience, much as such things are enjoyed in their place. Those who were there had come to hear the message Judge Reeve had for them. He gave it with simplicity and directness and had finished at 9 o'clock, leaving his hearers free to return to their homes and digest what he had told them.
